Bracelet Sizing Information

Measurement info for a truly custom fit

YOU ARE JUST LOVING ONE OF VINTAGE FAERIE'S HANDCRAFTED BRACELETS, BUT WOULD LIKE TO HAVE IT SIZED FOR A TRUE CUSTOM FIT? NO PROBLEM! PROVIDING YOUR BRACELET IS ABLE TO BE SIZED SMALLER OR LARGER, PLEASE READ THE MEASUREMENT INFORMATION BELOW. SUBMIT YOUR MEASUREMENT IN THE COMMENTS SECTION DURING THE CHECKOUT PROCESS OR FEEL FREE TO EMAIL US AFTER PLACING YOUR ORDER. MOST OF OUR BRACELETS ARE ABLE TO BE CREATED IN CUSTOM SIZES, HOWEVER THERE ARE A FEW THAT CANNOT BE MADE SMALLER DUE TO FONT SIZE AND/OR QUOTE LENGTH SO PLEASE MAKE SURE TO READ EACH BRACELET'S DESCRIPTION.

Measurements

FOR HANDSTAMPED BRACELETS WE TAKE TWO MEASUREMENTS. ONE, A WRIST MEASUREMENT, IS THE SIZE OF YOUR WRIST. TWO, A BANGLE MEASUREMENT, IS ACTUALLY THE SIZE OF YOUR HAND AND IS USED TO GAUGE HOW LARGE TO MAKE YOUR BANGLE SO IT MAY SLIDE ON AND OFF COMFORTABLY. BELOW YOU WILL FIND DIRECTIONS ON HOW TO TAKE THE BEST WRIST AND/OR HAND MEASUREMENTS. IF IN DOUBT AS TO WHICH SIZE YOU SHOULD GIVE FOR YOUR BRACELET, FEEL FREE TO GIVE US BOTH MEASUREMENTS.

WRIST:

USE A MEASURING TAPE* AND MEASURE YOUR WRIST AT THE WRIST BONE. MAKE SURE TO MEASURE YOUR WRIST COMFORTABLY- DO NOT MAKE YOUR MEASUREMENT TOO TIGHT. DO NOT ESTIMATE YOUR WRIST MEASUREMENT, PLEASE ONLY SUBMIT TO US YOUR ACTUAL WRIST MEASUREMENT SIZE. IF YOU WOULD LIKE YOUR CUFF OR BRACELET TO FIT SNUG OR LOOSE YOU MAY LET US KNOW WHEN YOU SUPPLY US WITH YOUR ACTUAL WRIST MEASUREMENT. WRIST MEASUREMENTS TYPICALLY RANGE FROM 6"-8.5"

BANGLE:

STRETCH OUT YOUR HAND AS IF YOU ARE SLIDING A BANGLE ON; FINGERS OUTSTRETCHED, THUMB TUCKED INTO THE PALM OF YOUR HAND. TAKE A MEASURING TAPE AND MEASURE ALONG THE WIDEST PART OF YOUR HAND. THIS IS TYPICALLY FROM UNDER THE LOWER PINKY KNUCKLE AROUND THE HAND TO UNDER THE LOWER THUMB KNUCKLE, AND BACK TO YOUR MEASURING STARTING SPOT. BANGLES ARE DESIGNED TO BE WORN LOOSE ON THE WRIST TO ALLOW FOR SLIDING OVER YOUR HAND. MANY TIMES CUSTOMERS HAVE TINY WRISTS, BUT LARGER HANDS. IF THIS IS THE CASE YOU MAY LET US KNOW AND WE CAN MAKE YOUR BANGLE A BIT SMALLER, HOWEVER KEEP IN MIND THERE MAY BE MINOR DISCOMFORT IN SLIDING YOUR BANGLE OVER YOUR HAND. THEREFORE, THIS IS NOT RECOMMENDED FOR THOSE WHO CONSTANTLY TAKE JEWELRY ON AND OFF. IF YOUR BANGLE IS A TIGHT FIT, WE RECOMMEND APPLYING A GENEROUS AMOUNT OF LOTION TO YOUR HAND AND THEN SLIDE ON YOUR BANGLE. USUALLY YOU WILL FIND YOUR BANGLE SLIDES RIGHT ON WITH LITTLE DISCOMFORT, AND THE LOTION WILL NOT HARM YOUR STERLING BANGLE.

*A MEASURING TAPE IS BEST TO USE FOR AN ACCURATE WRIST OR HAND MEASUREMENT. IF YOU DO NOT HAVE A MEASURING TAPE, A STRING MAY BE USED, MARKED AT THE MEASUREMENT, AND THEN STRETCHED OUT OVER A RULER. PLEASE DO KEEP IN MIND THE TENSION OF THE STRING WHEN MEASURING. THE TIGHTER YOU PULL THE STRING, THE LARGER YOUR MEASUREMENT WILL BE, THEREFORE THE END RESULT COULD CREATE A BRACELET THAT DOES NOT FIT YOU PROPERLY.
